RECORDABLE SUPPORTS

TITANIUM DIGITAL TRIPPER digital camera, camcorder backpack

Pouches and bags > Titanium collection

The smart shoulder bag with "Turn'n Take" for accessing your camera in one movement.

New product - "Turn'n Take" system

Shoulder bag with reinforced padding for carrying and protecting your camera or camcorder.

Specifications:

• "Turn'n Take": quick and direct access to the central pocket by sliding the back under your arm.
• Storage capacity:
- 1 central pocket with adjustable dividers for your camera and its accessories (lens, flash, etc.)
- 2 side pockets: 1 MP3/MP4 player pocket with headphone out slot and cable guide along the shoulder strap and 1 large pocket for cables and other accessories (mini tripod, charger, etc.).
- 1 front pocket with a key holder.
- 1 pocket at the back of the bag for storing plane tickets,
passport, etc.
• Security:
- 1 theft-proof hook for closing the central pocket and side MP3/MP4 player pocket.
- 1 hook for passing your trouser belt through, in order to keep the bag well balanced on your back during any physical activities (bike, motorbike, scooter, walking, etc.).
- Adjustable Velcro shoulder strap with security clip.
• Composition: nylon 1200D.
